

Ismail Çimen

Senior Digital Product Designer — UX/UI · Interaction · Graphic

Winterthur · C permit · NL / TR · ismail.cimen@gmail.com · +41 (0) 77 991 86 77

Some years ago — never mind how long precisely — having little or no clue and nothing particular to interest me, I thought I would design about a little and see what the fuss is about.

Senior product and experience designer with many years of experience developing digital products, services and user-centred systems.

Broad experience in UX/UI, interaction design, product strategy, design systems, research and prototyping — from first idea to implementation.

Conceptually strong, pragmatic in execution and experienced in interdisciplinary and international teams.

Especially drawn to complex challenges where design, technology and social value come together — in teams that not only develop good ideas but ship them.

Professional experience

Stiftung Wisli
Winterthur, CH
11/2025 – present

Product Design & 3D Printing – Werkatelier / NähWerk

Product design and 3D modelling in Blender, developing functional products from concept to 3D-printed production
Iterative prototyping and print optimisation for functionality, quality, material use and production efficiency
Custom solutions including modular planters, mounting systems, pallet holders, labels and tokens
Creative work with sketching, Zentangle, ink drawing and soapstone carving
NähWerk: sewing, textile production, denim upcycling and client-specific products

Läbesruum
Winterthur, CH
01/2025 – 08/2025

Workshop Worker | LEGO Project Lead

Independently managed the LEGO restoration project from sorting to resale preparation
Developed a categorisation and storage system for thousands of LEGO components
Reconstructed sets, identified missing parts and managed replacements
Developed the foundation for a global LEGO donation initiative
Woodworking, production and occasional gardening activities

Steiner AG
Zürich, CH
08/2022 – 10/2022

Product / Experience Designer

Designed user experiences for a digital platform in real estate and construction
Transformed traditional industry processes into simpler digital workflows
Designed solutions for cost estimation, task management, marketing and planning

Various international clients
07/2019 – 08/2022

Design Contractor / Freelance Designer

UX/UI and interaction design for digital products and websites
Information architecture, navigation design and wireframing
Graphic design, marketing materials and visual communication
Solved complex interface, usability and user-flow challenges

Legartis Technology AG
Zürich, CH
07/2018 – 06/2019

UX Designer

Designed complex legal-tech workflows from wireframes to production-ready UI
Co-developed the product with engineers, designers and corporate attorneys
Built and maintained design systems across web, marketing and print

DeinDeal AG
Zürich, CH
10/2017 – 01/2018

Senior User Experience Designer

Customer-centred UX design for deindeal.ch and mystore.ch
UX/UI concept for web as well as iOS and Android apps

CarHub
Beverly Hills, US
06/2016 – 09/2017

Senior Lead Designer · Founding Member
Built the product from early concept to first beta within twelve months
Ownership of information architecture, UX/UI, visual design and design management
Direct collaboration with the CEO and with development, sales, data and operations

EF Education First
Zürich, CH
11/2011 – 09/2016

Lead Designer – UX/UI, Interaction, Graphic & IA
Ownership of digital product and experience design, UX/UI and information architecture
Design systems, research, user testing, usability and workshop facilitation
Collaboration with interdisciplinary product and engineering teams; reporting to the VP Digital Marketing

Lost in Reality
Zürich, CH
12/2011 – 01/2014

Designer
Concept of location-based storytelling experiences and a web-based publishing platform
Built a complete system for experience bookings

TU Delft
Delft, NL
09/2009 – 02/2010

Tutor
Guiding and coaching design students; focus on visual identity and design communication

Education

TU Delft
2007 – 2010

Master of Arts in Design for Interaction
Diploma

TU Eindhoven
2002 – 2006

Bachelor of Arts in Industrial Design
Diploma

HKU Utrecht
2008 – 2009

Digital Media Design · 2 semesters

University of Amsterdam (UvA)
2008 – 2009

Master of Philosophy — Kant, Logic & Cognition (course) · 1 semester

Fontys Eindhoven
2001 – 2002

Mechanical Engineering · 1 semester

Skills & methods

Design & Research
Design Thinking · Human-Centred Design · UX Strategy · Service Design · Concept Development · Workshop Facilitation · Qualitative & Quantitative Research · User Interviews · Usability & A/B Testing · Journey Mapping · Behavioural & Data Analysis

Visual & Interaction
UI/UX Design · Interaction Design · Information Architecture · Design Systems · Graphic Design · Typography · Wireframing · Interactive Prototypes · Developer Handoff & Specifications

Engineering & Technology
3D Modelling · Physical Prototyping · 3D Printing · Digital Fabrication · Physical Computing (Arduino, Raspberry Pi) · Creative Coding

Tools & Programming
Figma · Adobe Creative Suite · Sketch · Blender · Autodesk · SolidWorks · Unity · Processing · Principle · Origami · Framer
Foundational: HTML · CSS · JavaScript · Python · C++ · MEL

Research & recognition

2004 **Het Beste Idee van Nederland** — Freeform Cutting, selected for national TV presentation

2005 **Design and Escapism, Japan** — research project, organising committee

2012 **Designing Natural User Interfaces for Commercial 3D Modelling Software** — Proceedings of TMCE 2012, Karlsruhe

2004 **Exploring Semantics of Movement in Context** — Dutch HCI Conference Proceedings
